

Help fund Kinsale fireworks: Salute America's Independence
SET THE SKY ABLAZE July 7, 2018!

URGENT... We need EVERYBODY to donate to this community gathering. Maybe you'd like to donate in honor or memory of a friend or loved one?

Each year, the same amount of fireworks costs MORE. But you ALWAYS step up to the plate. Please give whatever you can to help pay 2018's bills, including 3 pyrotechnicians' training

As Kinsale Foundation is a 501(c)3 tax-exempt organization, your gift is **tax-deductible.**

PLEASE NOTE:

This is a community event. So it is "Independent" from other

Kinsale Foundation or Cople District VFD fund-raisers and projects.

**ALL
Y'ALL
COME
ON
DOWN
TO
THE
RIVAH!**

STUPENDOUS. OUT OF THIS WORLD. OVER THE TOP.

These are just a few of the words people have used to describe Kinsale's patriotic fireworks extravaganzas over the years.

And **WITH YOUR HELP** our historic riverfront town's 18th annual community Independence Weeekend Celebration on Saturday, July 7, 2018, promises to live up to its reputation for phenomenal pyrotechnics. (The firemen will take no chances on weather. Threats of rain or gales Saturday, will move to raindate, Sun., July 8.)

NOTE: Future fireworks displays will also take place on a July Saturday close to the 4th. Sponsored by Cople District VFD, the Kinsale Foundation & Community Donors, the evening will be crammed with family fun. **Masons will operate Child ID Booth.**

5 pm on Cople District VFD will be selling delicious picnic fare in the park. Vendors, family fun and games.

5:15 pm Bike procession circles the block, starting from Up the Creek sign at Skirts Unlimited. Finishes in the park. Games for kids.

5:30-9 pm Live Music from two groups, singing alternately: **Sharon Mann** and **The 11-21 Club.**

And then... what you've all been waiting all year to see: Watch fireworks from Kinsale Bridge starting at 9:15 p.m.

Park on the Plainview side of the bridge and walk across, or in town near the fire department, behind the Gray Barn, and beside Kinsale Museum. The Bridge will be closed from about 8:45-9:45 p.m. to all traffic except slip-holders of Kinsale Harbour.
